

APPICS Bounty Program

The APPICS bounty program is designed to spread the word about our goals and development progress with the help of the community. A bounty program participant is welcomed to write or share posts about APPICS and get rewarded with exclusive XAP tokens in return.

Each member's amount of bounty XAP tokens will be calculated using the following formula below:

$$\left(\frac{\text{Total amount of bounty campaign XAP tokens}}{\text{Total amount of bounty campaign participants' stakes}} \right) * \text{Member's stakes}$$
